ISSUE & PUBLICATION FEE SUBMISSION

In response to the Notice of Allowance allowing all pending claims in this Application,
Applicant timely submits Form PTOL-85, Large-Entity Issue Fee, and Publication Fee.

As for any of the Examiner's comments for allowing claims, Applicant acknowledges the
Examiner's comments. Applicant does not concede or admit, however, that the Examiner's
comments are accurate or apply to all of the allowed claims, nor that the stated reasons are the
only reasons for allowance. *See Salazar v. Procter & Gamble Co.*, 414 F.3d 1342 (Fed. Cir.
2005). Applicant also reserves the right to file continuations and/or divisionals to seek
additional and/or broader claims.

Applicants do not believe any other fees are due. But the Commissioner is authorized to
charge fees to Deposit Account No. 17-0026 if additional fees are deemed due, for full
acceptance of this submission, and so that a patent may issue in due course.

Respectfully submitted,
QUALCOMM, INC.
